WATCH for information on “COCKTAIL HOURS” before & after the show to celebrate 30 years.  
\*That will be in our Rehearsal/Recital News coming in late April.

**\*ALL dancers are required to attend our dress rehearsal to ensure that the show run smoothly and each dancer knows where to be backstage ready to dance.**

**The actual rehearsal & recital schedule will be available in late April on our website as well as all details!**

\*We do ask that arrangements be made so that everyone is in attendance for rehearsal & recital. We are operating out of a very large theatre (Conexus) and we will be using multiple curtains to run the show like a complete production so it is necessary for ALL dancers to understand where to be backstage and which curtain to use for entrances, stage on's & offs within the routine and of course the exit. We WILL BE having choreographed entrances & exits to keep the show running without any pauses!

The backstage area is very dark during the shows so we really need the dress rehearsal to show all dancers where to be for a smooth and efficient show.
