Costumes

*All Final costumes will be charged to the cards on file on November 7th!

On Wednesday Oct. 28th I will set up a charge to be collected from your accounts on this date and you will receive an invoice from Smartscorepro letting you know how much the final costume cost is.

NOTE: Curly hairpiece orders & tights orders will be done in January. (Tights are NOT included in the costume cost).

Here is how you find your invoicing:

Search Smartscorepro in your email. (It will only go to the 1st email on file – if you have more than one, check both). You will find payment request or view & pay invoice. Click that even if the bill is PAID and a credit card is on file. You will see “View invoice & payment details”, click this and it will take you to your invoice.

NOTE: We are currently working on a way to make sure ALL accounts receive this some may not if the account is already paid.

Competition Fees

*ADD up your dancers group routines and this will give you a total of what is owing and will be charged to your accounts. (Add solo/duo/trios if applicable).

Competition season will begin this year is starting mid-April.

FEES for the competitions are due on Dec. 12th – Accounts will be charged early December showing the amount owing and cards will be processed on December 12th.

This is a way for your child to have more opportunities to perform the routine they have worked on in class, other than the year-end recital. All of the dancers do their class routine on stage in competition with other dancers of the same age and level. Each dancer receives a ribbon for their performance as well as adjudication from the judge.
