

## September Dance Information & Reminders 2021

Hello DD families! We have had a great first week at the studio and have enjoyed welcoming back our returning dancers and meeting the new dancers that have joined us!

Here is some important news:

**1.** As of Friday Sept. 17th the government has re-introduced mandatory masking indoors in public spaces. We will follow this regulation in the studio lobby and ask that you have your dancers enter the studio in a mask and wear it in the common area. They may continue to wear the mask in class; however, the government has not made it mandatory for indoor physical activity for people under 18 years old. Therefore, mask wearing inside the dance room will continue to be optional.

We will continue to follow all government regulations moving forward and are happy that we can still offer our dancers regular classes each week!

**2.** The DD Clothing/Merchandise is ON-LINE this year and we have some new and exciting products to offer! Check out all our products @

They will perform at our SPRING SHOWCASE ~ Sunday March 6th at the Regina Performing Arts Center, and they will also attend the two competitions also held at the theatre in April.
