

CDTA Exam Information 2023 ~ 2024

Welcome to the CDTA exam program to any new dancers and to our returning exam students. Please note that ALL exam students are required to attend all classes with a bodysuit and tights. NO skirts, shorts or pants, as this will be how you will take your exam. Hair must also be up and off of the face for classes.

The exam classes for Ballet, Tap & Jazz are taken from September through February and the exams usually fall the first week of March. (We request this date, but there are no guarantees). They will take place at the studio and be during the weekdays. The payment for the exam classes is over a 9-month period, but the classes are for the 6 months.

For the actual exam, dancers require a Solid black tank-style (no pinch in the chest) Cotton/Lycra bodysuit and Mondor Microfibre tights to match their shoes.

*We have in-stock ballet bodysuits you can purchase, order form attached.

We are only given about 2 – 3 weeks' notice before any exam session so we will do our best to let you know the schedule in as far advance as possible. Please note that once a dancer is entered into the exams there is NO REFUNDS at all as this is the CDTA policy. If you miss for a vacation or your own accord your fee is lost...however if you are sick or have an injury CDTA will refund 50% if you can provide a doctor's note. We enter dancers if we feel they are ready by December 1st for the March exam session, and on the rare occasion that we feel dancers are ready for an early set we may register them October 15th for an exam session to be held in December.

Not ALL dancers are guaranteed to take the exam in one year; it is solely based on your teacher's discretion as to whether we feel your dancer is ready or not to take the exam by the entry deadline. Some dancers may require more than one season to master a grade and it is our policy to NOT enter dancers if we teachers feel that they may not pass the grade. It is very important to us to send dancers into these exam sessions feeling 100% confident and capable of passing the grade.

Attached is an exam bodysuit order form for those who wish to purchase one (if you already have one that is just fine!). There is also CDTA music for those who wish to practice to music. **It is a VERY good idea to practice with the music for your exams!**

If you have any questions please forward those to the studio email ~ dancedimensions@sasktel.net.

Thank you,
Kara & Staff
