Happy Fall!!! We are excited to be back in the dance studio with our dancers ♥

~If you do NOT have a credit card on file, please see Kara to leave one for your monthly tuition, costume deposits/final payment/competition fees.

*If you choose to pay by Cash or Debit, we have limited office hours – watch the calendar on the website for times – or feel free to leave CASH in the lockbox outside of the studio office door. It is secure!

~Please do not leave water bottles at the studio if you choose to bring them to class and make sure you are taking home YOUR footwear and not someone else's from the boot room.

~If you have any questions or concerns through the dance season, please direct them to KARA by emailing the studio @ dancedimensions@sasktel.net.

~ We ask that all dancers wear **PROPER DANCEWEAR FOR ALL CLASSES!**

Visit the website for the dancewear requirements. All dancers also must wear their hair in ponytail/pigtails/braids for classes – Ballet class MUST be a bun. COSTUMES:

Costume deposit (\$75/class) due October 5th. (CC on file will be charged).

We will start measuring all our dancers for their costuming in the beginning of October. Please be sure to have your dancer wear their bodysuits/form fitted yoga clothing for us to measure accurately! We will determine the size of costume for your dancer as we know how dance costumes/fabric fits and be sure to leave room for them to grow! They will use the costume for all competitions & our year end recital. NOTE: Tights are not included when we charge costumes, so watch for the tight order form and type of tights your dancer will need for her class. Costumes are ordered in and complete, with the exception sometimes of straps that need to be sewn down. If you or someone you know is a **SEAMSTRESS** and interested in doing costume alterations, please email the studio and we will create a list to make available to our families. ALL alterations for the costumes are up to each individual.

STUDIO REMINDERS:

~Please remember that our lobby area is a dancer only zone, and when you drop your dancer off for class use that time to run some errands or get a coffee

~Drop off and pick up for classes should be 5-7 minutes before and after.

~DO NOT park on the north side of the studio in the driveway towards the alley. Teachers use the left side against the building for parking but it is against fire regulations to block the right side. Thank you.

~ Any accounts one-month overdue will be charged a 5% late fee on the first of the month!

~Please put all of your clothing shoes etc. into your dance bags in the lobby area. (We are not responsible for any items left unattended. There is also a set of lockers to use to lock your wallets/phones in. (You must bring a combination lock yourselves for these).

~ Please remember that regular attendance to classes is imperative! We tend to cover a lot of steps etc. each week and when a dancer misses often it is very difficult for them to catch up!

Please update any email/address changes in the office regularly...be sure we have your email for ALL newsletters! Read the studio bulletin boards for all dancer related information and expect a newsletter the first week of each month on the website
